Tasting notes

High intensity plum and leather aromas dominate this wine's first approach, followed closely by purple flowers and herbs as a consequence of the petit verdot on it. Mid palate is soft and long and expresses a savory personality familiar to Mourvedre. The wine finishes on a fresh, spicy note, reflecting great acidity and permanence.

Winemaker notes

Confabulario is one of our most creative blends, showing the power and richness of petit verdot along with the subtleness of Mourvedre. The leather and smoky notes on this wine reflect the style of high end french premium wines.
